INSTITUTE OF NURSING
Nurturing Care, Inspiring Growth

BABINA INSTITUTE OF NURSING (BIN)

(A Unit of BABINA Educational Foundation)

Recognised by Manipur Nursing Council

Affiliated to Manipur University

Dear Students, Faculty, and Esteemed Guests,

It is with great pride and a deep sense of responsibility that I welcome you to BABINA Institute of Nursing, a unit of BABINA Educational Foundation. As the Director, I am honoured to lead an institution that stands at the forefront of nursing education, committed to shaping compassionate, skilled, and resilient healthcare professionals.

Nursing is more than a profession—it is a calling that demands knowledge, empathy, and unwavering dedication. At BABINA Institute of Nursing, we strive to provide a nurturing academic environment where students are not only equipped with clinical excellence, but are also instilled with the values of integrity, service, and lifelong learning.

Our faculty members bring a wealth of experience and passion to the classroom, blending theory with practical exposure to prepare our students for real-world healthcare challenges. We are also proud of our partnerships with leading hospitals and healthcare institutions, which offer invaluable hands-on training opportunities.

As we look ahead, we remain focused on innovation, research, and holistic development. Whether you are a prospective student, parent, or a visitor, I invite you to explore all that our college has to offer.

Together, let us continue to uphold the noble tradition of nursing and contribute meaningfully to the health and well-being of our communities.

Warm regards

Dr. Thangjam Dhabali Singh
Managing Director
BABINA Educational Foundation

Dear Students, Faculty, and Visitors,

It gives me immense pleasure to welcome you to BABINA Institute of Nursing, a unit of BABINA Educational Foundation. An institution dedicated to excellence in nursing education and healthcare services.

Nursing is one of the most noble and selfless professions, requiring not just knowledge and skill, but also compassion, empathy, and integrity. At BABINA Institute of Nursing, our mission is to nurture future nurses who are not only technically proficient but also emotionally intelligent and ethically grounded.

Our college is equipped with modern infrastructure, experienced faculty, and strong clinical partnerships that ensure our students receive the best possible training and exposure. We emphasize a balanced approach to education - combining academic rigour with hands-on experience and holistic development.

As Principal, I take great pride in seeing our students grow into competent, confident professionals who go on to serve society with dedication and humility. I invite you to be part of our journey toward creating a healthier, more compassionate world.

Thank you for your interest in BABINA Institute of Nursing. We look forward to shaping the future of healthcare and community service.

Warm regards,

A handwritten signature in blue ink, reading "Dr. Th. Kheroda Devi".

Dr. Thoudam Kheroda Devi
Principal, BABINA Institute of Nursing

INTRODUCTION

The BABINA Institute of Nursing is poised to become one of the most prestigious nursing academies in Manipur, dedicated to providing top-tier education and training in the field of nursing. Operating under the aegis of the BABINA Educational Foundation, the institute is committed to excellence in academic instruction, hands-on clinical training, and the development of compassionate, skilled healthcare professionals.

With a curriculum aligned with Indian Nursing Council standards and a faculty of experienced educators and practitioners, the BABINA Institute of Nursing seeks to empower students with the knowledge, skills, and ethical grounding necessary to excel in the dynamic field of healthcare. Our mission is not only to train nurses who are technically proficient but also to foster leadership, empathy, and service to the community.

Under the visionary leadership of Dr. Thangjam Dhabali Singh, Chairman and Managing Director of BABINA Group of Companies, the institute is committed to nurturing skilled, compassionate, and competent nursing professionals.

In response to the increasing demand for qualified nursing staff and the rising standards of patient care in hospitals and nursing homes, the BABINA Institute of Nursing is designed to align with contemporary healthcare needs.

Our mission is to advance healthcare outcomes by delivering excellence in nursing education and contributing meaningfully to the well-being of society. Through innovative teaching methodologies, practical training, and a strong ethical foundation, we aim to empower the next generation of nursing leaders.

The BABINA Institute of Nursing will offer comprehensive academic programmes that integrate theoretical instruction with extensive practical experience. Curriculum development is guided by the latest industry standards and regulatory frameworks, ensuring that students are well-prepared to meet real-world challenges.

VISION

- To prepare dedicated, compassionate, and skilled nurses who will serve in hospitals and communities with commitment, empathy, and professionalism.
- To establish a Centre of Excellence in nursing education that offers evidence-based, high-quality academic programmes and fosters innovation in patient care.
- To develop a dynamic Research Cell that promotes ongoing research initiatives aimed at enhancing nursing education and improving the quality of healthcare services.

MISSION

To provide accessible, affordable, and high-quality education to a diverse student population, preparing nurse practitioners for various levels of practice. This mission will be realized through:

- Innovative programmes that reflect evolving healthcare needs and contemporary industry trends.
- Research initiatives that strengthen the scientific and theoretical foundations of nursing practice.

VALUES

- **Integrity:** Uphold the highest standards of honesty, ethics, and professionalism in both academic and clinical settings.
- **Excellence:** Strive for academic, clinical, and operational excellence through continuous improvement, innovation, and dedication to quality.
- **Respect:** Honour the diversity, rights, and contributions of every individual, fostering an inclusive and supportive learning environment.
- **Accountability:** Take personal and collective responsibility for our actions, decisions, and their impact on patients, peers, and the community.
- **Innovation:** Encourage creative thinking and the adoption of new technologies and practices to enhance learning and improve patient outcomes.

COURSES OFFERED

Bachelor of Science in Nursing (B.Sc. Nursing)

The **BABINA** Institute of Nursing offers a full-time **B.Sc. Nursing** programme, designed to provide students with a strong foundation in nursing education, clinical skills, and patient care.

| Duration of the Course

The B.Sc. Nursing programme is structured over **eight (VIII) semesters**, including a compulsory **internship** as per regulatory requirements. The course is designed in accordance with guidelines laid down by the Indian Nursing Council (INC).

| Eligibility Criteria for Admission

To be eligible for admission into the B.Sc. Nursing programme, applicants must meet the following criteria:

- **Entrance Examination:** Must have cleared the **Common Entrance Examination (CEE)** conducted by the **Directorate of Health Services**, Government of Manipur, with the minimum qualifying score.
- **Age Limit:** The minimum age for admission shall be 17 years as on 31st December of the year in which admission is sought. The maximum age limit for admission shall be 35 years.
- Candidates with a science background who have passed the qualifying 12th standard examination (10+2) must have obtained a minimum of 45% marks in Physics, Chemistry and Biology taken together and passed in English individually.
- In respect of candidates belonging to SC/ST/OBC, the marks obtained in three core subjects shall be 40% instead of 45% for general category candidates.
- Candidates shall be medically fit.
- Married candidates are also eligible for admission.

| Total Number of Seats: 40 (Forty)

Admission Procedure

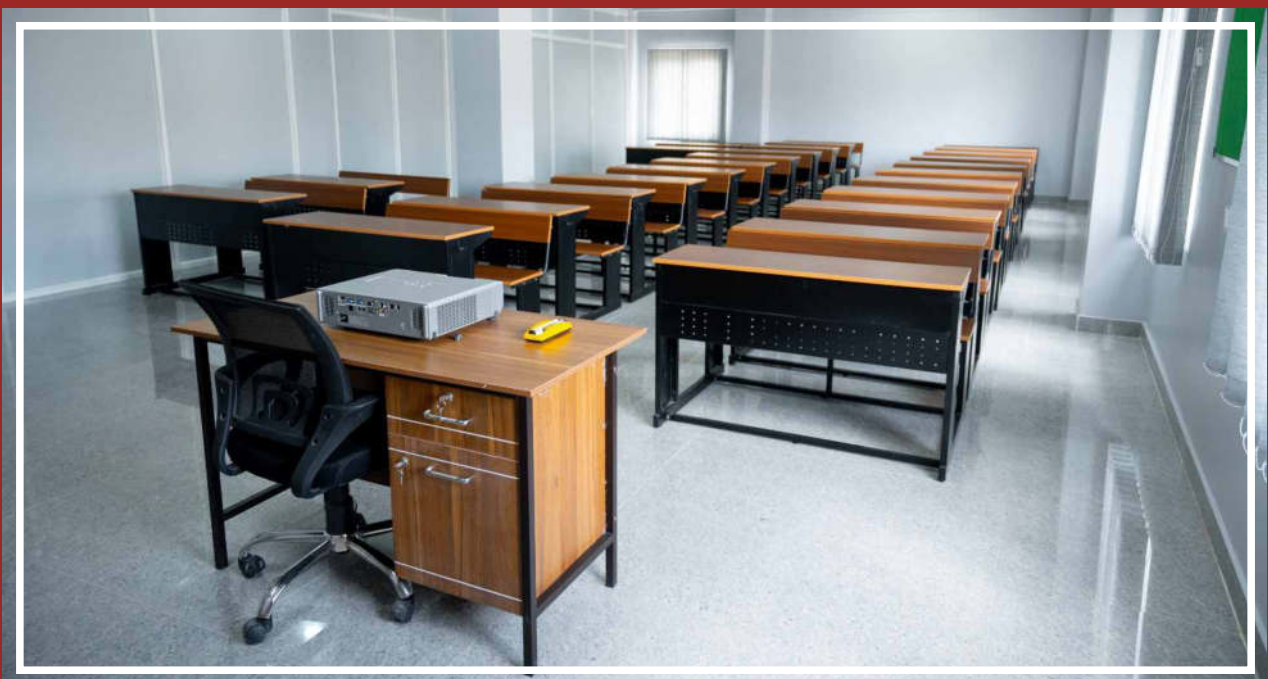

Application form and prospectus will be available at the office of the college. Completed application form should be accompanied by the following documents:

1. Original Class X marksheet.
2. Class X original/provisional certificate.
3. Original Class X admit card.
4. Original Class XII marksheet.
5. Class XII original/provisional certificate.
6. Original Class XII admit card.
7. Original Class XII character certificate.
8. Original Class XII transfer certificate.
9. Migration certificate.

Physical Facilities – College Infrastructure

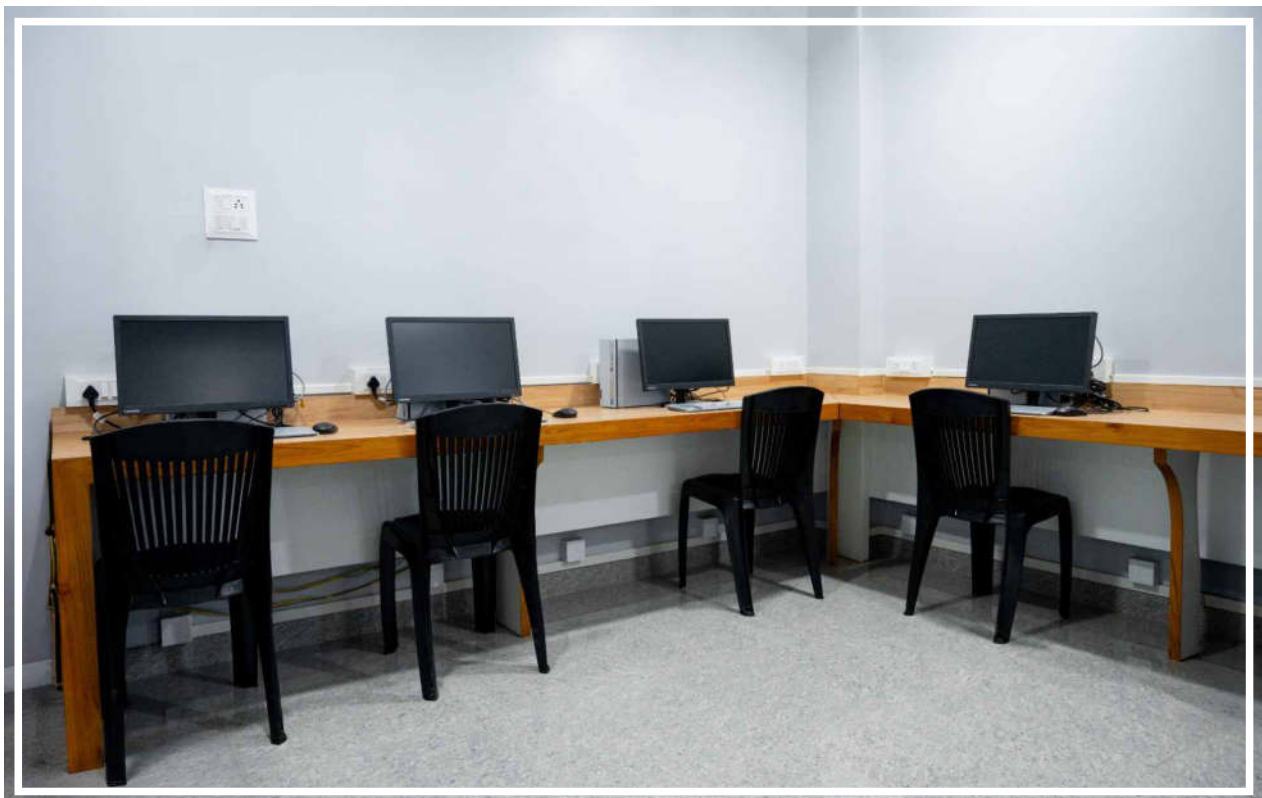

I. Classrooms

The BABINA Institute of Nursing is equipped with well-furnished, spacious, and well-ventilated classrooms designed to create an optimal learning environment. Each classroom is integrated with modern teaching technologies, including audio-visual aids, projectors, and smart boards to enhance the teaching-learning experience. These facilities ensure that students receive instruction that is both engaging and effective, in line with contemporary educational standards.

2. Laboratories / Departments Available

1. Nursing Foundation including Adult Health Nursing & Advanced Nursing Lab
2. Community Health Nursing
3. Nutrition Lab
4. Obstetrics and Gynaecology Nursing Lab
5. Child Health Nursing Lab
6. Pre-Clinical Science Lab
7. A.V. Aids Room
8. Computer Lab

3. Faculty

The BABINA Institute of Nursing is proud to have a team of young, dynamic, and highly qualified faculty members with expertise across multiple nursing specialties. Our faculty brings together a rich blend of academic excellence and practical experience, ensuring that students receive comprehensive guidance in both theoretical knowledge and clinical practice.

With a commitment to nurturing compassionate and competent nursing professionals, the faculty is dedicated to addressing the diverse healthcare needs of individuals, families, and communities. Regular training and professional development programmes ensure our educators stay updated with the latest advancements in the nursing field.

4. Co-Curricular and Extracurricular Activities

At the BABINA Institute of Nursing, education goes beyond the classroom. The college actively promotes co-curricular and extracurricular activities to foster the all-round development of students. These activities are organized under the guidance of the Student Nurses' Association (SNA), providing students with opportunities to enhance their leadership, teamwork, and organizational skills.

Events and activities include:

- Health awareness programmes and community outreach
- Cultural events and festivals
- Sports and fitness activities
- Workshops, seminars, and guest lectures
- Observation of national and international health days
- Talent shows, quiz competitions, and exhibitions

These engagements not only enrich student life but also instil values of social responsibility, creativity, and personal growth

5. Hostel Facilities

The BABINA Institute of Nursing provides comfortable and secure hostel accommodations for its students. The hostel is spacious, well-ventilated, and fully furnished, offering a home-like environment that supports both academic focus and personal well-being. The hostel is safe and provides 24-hour security services.

Key features of the hostel include:

- Safe drinking water supply
- Proper sanitation facilities
- 24-hour security services
- Reading room for quiet study
- Recreation room for leisure activities
- Sick room for basic medical care
- Visitors' room for receiving guests
- Telephone facility for student use

A well-managed mess within the campus provides hygienic and nutritious meals, catering to the dietary needs of students.

Students residing in the hostel are expected to strictly follow the hostel rules and regulations, ensuring a disciplined and harmonious living environment. Ragging is strictly prohibited on campus.

6. Community Field Visit (Posting)

Community field visits provide students with invaluable real-world learning experiences. They offer a platform where students can connect classroom knowledge with real-life situations, allowing them to see how their learning can be applied to solve problems in the world around them. These experiences also foster socio-emotional development. By engaging with diverse communities and witnessing different perspectives, students naturally become more empathetic, tolerant, and socially aware.

The BABINA Institute of Nursing has sought the required permission to provide community field exposure in the following government health centres, both for urban and rural areas:

- Urban Primary Health Centre – Mantripukhri, Imphal West
- Primary Health Centre – Sawombung, Imphal East

CLINICAL FACILITIES (PARENT HOSPITALS)

At American Oncology Institute (AOI) at Babina Specialty Hospital in Imphal, we are committed to improving the lives of those affected by cancer, offering hope, healing, and a path to recovery in a compassionate, patient-centred environment.

BABINA Institute of Nursing – Student Code of Conduct

At BABINA Institute of Nursing, students are expected to always uphold the highest standards of discipline and responsibility.

Discipline and Conduct:

Students are accountable to the Principal for their behaviour and conduct, both on and off campus. They are expected to demonstrate respect, integrity, and professionalism in all circumstances.

Care for Institution and Facilities:

Students must make every effort to maintain the cleanliness and orderliness of the institute and hospital. They are expected to treat all property with care and report any damage or issues promptly.

Attendance Requirements:

A minimum of 80% attendance in theory and 100% attendance in practical sessions is mandatory in every subject to be eligible to appear for the examinations.

Damage to Property:

Any wilful damage to college or hospital property will be considered a serious breach of discipline and dealt with accordingly.

Leave During Working Hours:

In case of emergencies requiring a student to leave the campus during the day, prior approval must be obtained from the class teacher or supervisor. Additionally, a written letter from the parent or guardian must be submitted.

Withdrawal from the Institute:

If a student is to be withdrawn from the institute, a written request must be submitted by the parent or guardian, clearly stating the reason for withdrawal.

Violation of Rules:

Any violation of rules will result in disciplinary action as deemed appropriate by the institute. In serious cases, dismissal from the college may be considered.

Authority of the Principal:

Any decision taken by the Principal shall be final and binding on all students.

Changes to Rules and Regulations:

The rules and regulations are subject to change. New rules may be introduced from time to time, and all students are expected to comply with them without exception.
